

REFLECTIONS

for his 3 year old grandson Davide, Rome

Pool,
Faces,
Leaves
Pebbly eyes
Pebbly pockets
Rippling leaves
Leaves in the eyes
Sun in the faces
Trees in the water
Rain in the smiles
Leaves and clouds in the faces
Eyes in the trees in the clouds
In the rippling trees are the faces
Wind in the water
Wind in the rippling smiles
Shoes in the clouds in the pool
Rain in the shoes
Birds in the shoes
Trees laughing, birds shining
Cloudy birds are shining in the shoes
Yellow shoes are floating in the sky
Shining ripples laugh in the eyes of the sky
Laughing pebbles blow in the rippling faces
Shining ripples float in the eyes of the birds
Splashing the yellowy clouds with the eyes of the wind
Silent faces smile at the branches
Hans watch
Leaves sing
Feet float
Rain asks
Eyes answer
Let's go.
